

Rıdvan Güler

VIDEO EDITOR

Profile

Passionate Video Editor with expertise in visual content creation, storytelling, and Adobe Premiere. Proficient in collaborating with production teams to produce compelling video content for various media platforms. In my most recent role at Demiroren Media Group, I played a vital part in creating engaging YouTube video contents for newspapers and TV/radio channels, showcasing my ability to bring creative concepts to life through seamless editing. Complemented by a degree in New Media from Beykent University, I am well-equipped to contribute effectively as a Video Editor.

Employment History

Video Editor, Demiroren Media Group, Istanbul

JUNE 2024 – PRESENT

- Took part in both recording and editing processes of videos.
- Created YouTube video contents for several newspapers and TV/radio channels in the company.
- Collaborated with the production team to bring creative concepts to life through video editing, resulting in visually captivating content
- Managed and organized raw footage, selecting the best shots and creating seamless transitions to ensure a cohesive narrative
- Implemented color correction and audio enhancements to elevate the overall quality of the videos

Photo Editor, Dizayn Clothing, Istanbul

JULY 2021 – NOVEMBER 2023

- Converted raw images into web-ready formats with minimal loss of quality, resulting in faster loading times
- Applied color and tonal correction to photos to reflect an artistic vision
- Created high-quality images for print and web media, resulting in an increase in customer engagement and brand awareness
